

SIMATIC ET 200SP, 500 labeling strips, yellow, roll with 500 strips

General information																																								
Product type designation	Labeling strips, foil																																							
Ambient conditions																																								
Ambient temperature during operation																																								
• min.	0 °C																																							
• max.	60 °C																																							
Mechanics/material																																								
Color	Yellow																																							
Dimensions																																								
Width	13 mm																																							
Height	31 mm																																							
Outer diameter of the thermal printer roll	70 mm																																							
Inner diameter of roll	40 mm																																							
Width of the thermal printer roll	62 mm																																							
Scope of supply																																								
Delivery quantity in pieces	1																																							
Components included	500; Individual labels per role																																							
• Number of individual strips
