

SIMATIC S7, Micro Memory Card for S7-300/C7/ET 200, 3, 3V Nflash, 512 KB

Figure similar

General information																																								
Product type designation	Micro Memory Card																																							
Memory																																								
Type of memory	Flash-EPROM																																							
Memory size	512 kbyte																																							
Number of write/delete operations, min.	100 000																																							
Data retention (after final programming action), min.	10 a																																							
Accessories																																								
belongs to product	S7-300 / ET 200																																							
Dimensions																																								
Width	24 mm																																							
Height	32 mm																																							
Depth	1.4 mm																																							
Weights																																								
Weight, approx.	2 g																																							
Classifications
